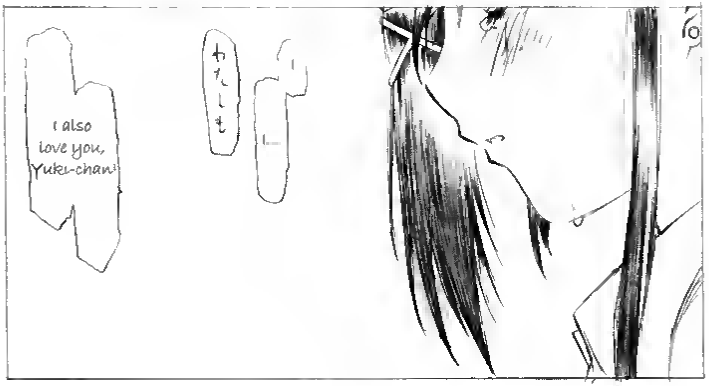
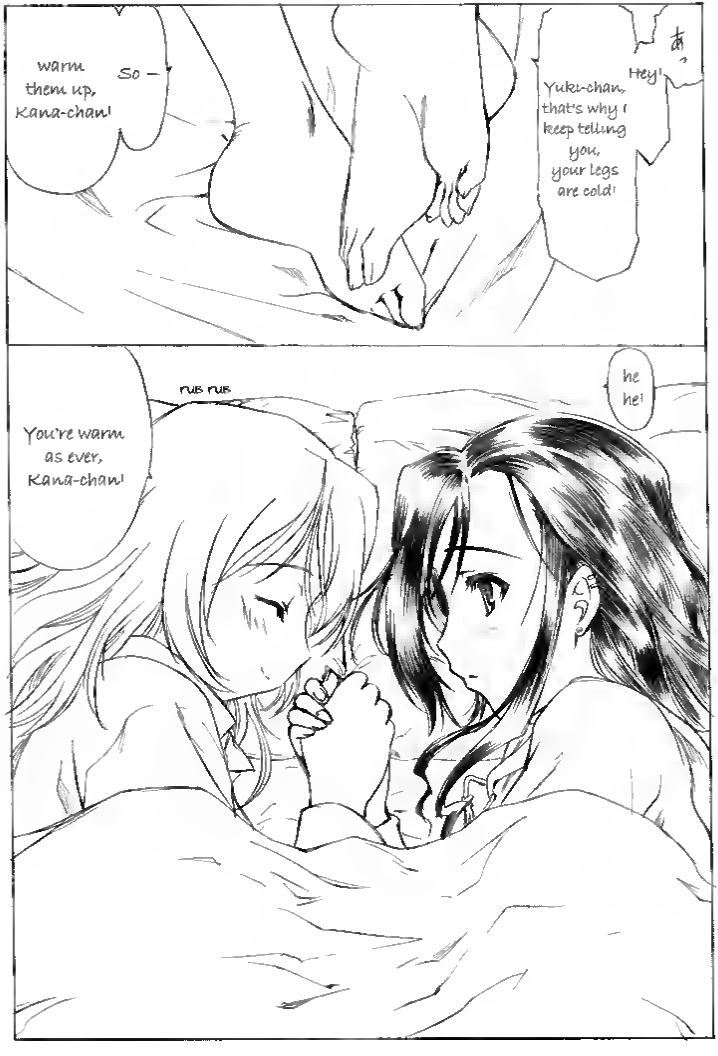
UROBOROS
サクマ式ド○ップス☆GIRL

always love you, Kana chan!
From now on and forever and ever I'll...
これからもずっとずっとずっとずっと



I also love you, Yuki-chan!
わたしも



Hey!
Yuki-chan, that's why I keep telling you, your legs are cold!
So –
warm them up, Kana-chan!
he he!
rub rub
You're warm as ever, Kana-chan!

But, anyway, how long has it been since the last time we slept together?
Oh, you!
長かったー
It's been so long I can't remember
I wonder
I guess, something like 2-3 days...
スゴく
I've been soooo lonely!
Me too.
Yeah...

I felt like I was going insane when I thought that you had choosen Saku-chan!
Oh, come on!
You know, you're #1 for me!

I finally kissed you!
Yuki chan's Lips
What?
What?
Wha..?
We're kinda even now!
But it was you, who used to kiss me all the time, while I was asleep, when we were kids
But, you know, Kana-chan, I really want much more!
Yuki No -chan, what...?

GRASP
That's why
You're getting it back 3 times more!
No way!
Yuuki-kyun
So, this is a kiss
Yuki-chan's so soft
SFX KISSING SOUNDS

SFX: CHOKING SOUNDS
Is it not ok?
Did you put your tongue inside!?
Tongue!
SFX: HEAVING BREATHING

And sisters on the top of that
But we're both girls
Ah
Ah
Ah
Ah
So its a wrong thing to do after all, with us being girls and sisters?
Then is my love for you
bad as well?
Not that look again...
Oh! Come on!

It's ok
Ok?
I'm not against it!
Well then well then
Here goes your revenge for the third time!
Rub rub
SFX: SLOPPY WET SOUNDS

Yuki-chan
Oh, no!
Harder!
squeeze

Kana-chan, this is your x3 revenge on me!
This is called earhole sex.
Hyu-RR
This is not x3 revenge anymore!
Wha?
Yuki-chan!
Oh

You're silly!

After all, we were one, before we were born
Then, inside of you, we could become one
I wish I was a man

This way we can hug each other over and over again!
It's ok, being sepa -rated!
I am not!
You're a pervert!
grin
Over and over again?
Oh
You're silly!

Ok. I understand, this time it really is kinda halfway through. I'm sorry. Well, for now, those of you, who feel like this book lacks some ejaculations - please, proceed to the next page.
